- The age of the baby (or babies) pictured must be from birth to one-year old.
- No other children or adults must be visible in the photo.
- Submissions are limited to one photo per photographer per month.

Format Eligibility

- Image must be natural color - black and white, sepia tone, and duotone images will not be considered.
- A printed photo that has been scanned would be considered a digital photo.
- Image file size must be no larger than 200K.
- Image dimensions must be no larger than 750x500 pixels and no smaller than 320x240 pixels.
- Image must be saved in a ".jpg" file format.

Modifications

Minor digital enhancements are permitted, but images that have been significantly modified or appear unnatural will not be considered. If necessary, images will be sized and optimized for the Web before being placed in the Infant Photo Gallery.

Modifications Not Permitted

- Watermarks, signatures, or copyright notices.
- Artistic filters.

Permitted Modifications

- One-step enhancements (e.g., AutoFix, QuickFix, Auto Levels, etc.).
- Corrective functions to improve the natural appearance of the image

Crediting the Photo

All photos selected for the Infant Photo Gallery will be used without credit to the photographer named on the submission form that accompanied the photo.

Ownership Use/Rights

Photographers retain the copyright to their photographs. By submitting your photo to the Infant Photo Gallery, you agree that without any fee or other form of compensation, the Tennessee Department of Health may:

- Display the photo on the www.tennessee.gov/health/infantmortality website.
- Make resizing, optimizing, or minor cropping adjustments to fit the Infant Photo Gallery.
- Make and retain copies of the photo for archival purposes.
- Contact you at a later date to request permission for any other use.

In the event that ownership of an image submitted is contested in any manner, The Tennessee Department of Health retains the discretion to discontinue use of the image in any form.
